Ethical Profile 3: Videos

Directions: Determine why your partner responded the way that they did to the questions associated with each of the videos. Did they use Social Conscience, Principal Conscience or Rule Compliance?

Video 1: Francois Legault and the CAQ's new ban on women wearing Hijab (Racism)

Q1: Should individuals be banned to wear religious symbols such as the hijab when being addressed by authorities or during other circumstances such as voting or even teaching?

Q2: Do you believe the government should control how people are allowed to express themselves religiously?

Video 2: All you need is Love (Discrimination towards Heterosexuality)

Q1: What is your opinion on the video you have just seen? Give your reasons why?

Q2: Should someone's sexual orientation be subject to discrimination if it does not follow the norm of society?

Video 3: Behind the Mask (Identity)

Q1. What is your opinion on the video you have just seen? Give your reasons why?

Ethical Profile 4: Assessment

Directions: Provide a final assessment on your partner's Ethical Profile. Choose one of the 6 given categories and describe, in detail, why you feel your partner fits into their given category.

Hints:

- Make sure to initially describe the ethical category you are choosing and what it means
- In your description, use information from all 3 of your assessment tools (Survey, Moral Dilemmas, Videos).
- In your description, make use of several of the Ethical Concepts discussed in class (Norms, Values, Principles, etc).
- Back up all statements made with facts that you have gathered.
- Avoid making derogatory and judgement calls.
- It may be possible for your partner to be part of more than one category. You must be able to back up the reasons why.
